Dear Donnette,

March 13, 2004

I just wanted to let you know what a gift you are to the dance community and to potential art enthusiasts everywhere. BRAVO! What a fabulous Vision Series production last night! It was a top-notch performance and a professional venue all the way around!!

The Vision Series is something we look forward to every year. It is a one-of-a-kind modern dance festival, and it is a life-changing experience for all of the participants (and high school dance directors, too). I wanted to let you know how much we appreciate the opportunity, and I was glad to see some of my graduates return to watch from the audience.

The GWHS Principal and an Assistant Principal showed support, and a lot of my beginning and intermediate dancers attended, too. They were so impressed, and it opened their eyes to the broad spectrum of what modern dance is and can be! I know that they are forever changed, and they will be inspired to choreograph and create amazing dance pieces because of their experience in the audience last night! They will also continue to support the Arts throughout their lifetime. This is the only opportunity in the Bay Area for students, parents, adults, and dancers have to open their minds and their hearts to the awesome powers of modern dance. I KNEW it would sell out!!!!

I will be attending tonight's showcase with my daughter, Talia, and 8 out of the 12 performers from my school!!!! We love you Donnette, and words cannot express what a gift you are to us and to the community at large. Hugs and kisses. You are an amazing spirit and such a love!

With great appreciation,

Nina Mayer  
GWHS Director of Dance
